

Quick Facts

OUR COLLEGE OF PROFESSIONAL STUDIES IS DESIGNED FOR WORKING ADULTS.

Advance your career and build a better future with a quality degree from Indiana Tech. At our university, you'll find in-demand degree programs and a student-first approach that helps you succeed.

EXPERIENTIAL CREDIT

Your existing certifications, licensures and other experiential learning can be transferred as credit — just like prior credit you may have from previous college courses. Our full credit evaluation will ensure that you spend only the time and money you need to earn your degree.

CAREER-FOCUSED DEGREES

Compete in today's workplace. Earn a degree that is in high demand such as accounting, business, criminal justice, cybersecurity, health information technology, health care informatics, emergency response management, information technology or leadership.

CREDIT-BEARING CERTIFICATES

Expand your skills and advance your career with an undergraduate or graduate certificate. Our programs help you stand out from the competition in areas that are in demand by today's employers.

FLEXIBLE CLASS OPTIONS

Fit school into your schedule with online coursework that is accessible 24 hours a day. Our regional locations also offer on-site evening and weekend classes.

TEXTBOOKS INCLUDED IN TUITION

Enjoy the convenience of having textbooks and class materials included in your tuition and shipped directly to you.

COMPLETE COURSES QUICKLY

Class sessions begin throughout the year, so you can enroll any time. Take one class at a time and make rapid progress toward degree completion.

MULTIPLE WAYS TO PAY

Choose a payment option that fits your needs, including financial aid and tuition deferment (delayed billing) for those who qualify.

ACCREDITATION

Indiana Tech is a non-profit university founded in 1930, and is fully accredited by the Higher Learning Commission.
